NOTES

All levels are related to the Ordnance Survey national grid by means of GPS using the Leica SmartWorm 57K receiver.

All dimensions are in meters.

Do not scale from this drawing.

Roofing and bracing has not been measured except where the wall line and roof.

All measurements are given to reading (third decimal) and rounded up and reported as average.

All window head and window c/l levels are internal measurements.

Ceiling height measurements are taken to a point which best represents the general room height.
