Location

The site is situated in the northern part of the popular coastal town of Broadstairs and under half a mile from the sandy beach at Stone Bay.

It is located around a mile from Broadstairs Rail Station which can be found to the south and here services to London St Pancras International are available with average journey times of approximately 1 hour and 30 minutes.

Broadstairs provides a wide range of local shops and services and further retailers including Marks & Spencer and Sainsburys can be found at the Westwood Cross shopping centre approximately 2.5 miles to the west.

Site Description

The site extends to c. 0.59 hectares (c. 1.46 acres) and is rectangular in shape and level. It comprises single storey former education building of brick construction under a pitched tiled roof together with an outbuilding and a grassed area of open space to the west of the building.

The site is bounded to the east by a hedge, the west is a belt of mature tree with residential dwelling beyond, to the south of the site is a thinner belt of trees with properties at Tina Gardens beyond, and to another is a tree belt with properties at Newlands Close beyond. The principal vehicular access to the site is via Tina Gardens and there appears to be a pedestrian access to Newland Close.

The immediate residential neighbourhood surrounding the site is characterised by a mix of bungalows and 1970s houses in and round Tina Gardens and large detached properties along Lanthorne Road and Newmans Close.

Planning and Potential

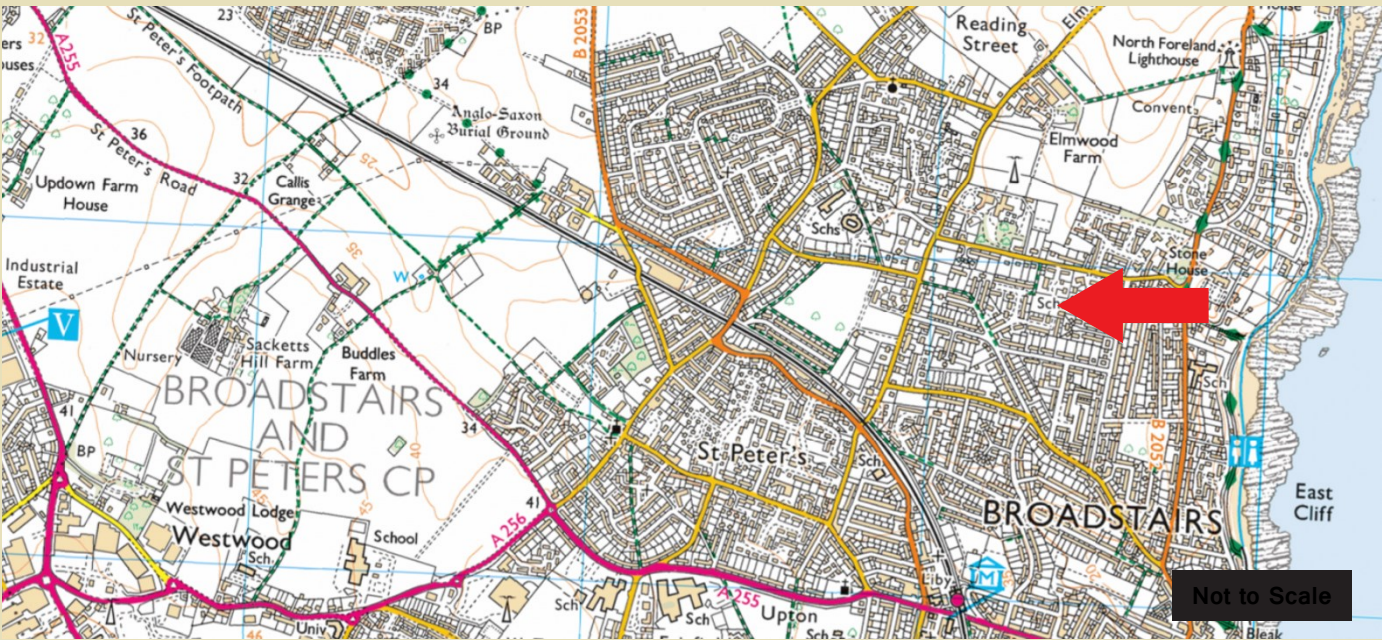

The site is a former Special Education Needs (SEN) facility that is now allocated for residential development within the Thanet Local Plan that was adopted July 2020. The allocation suggests a site capacity of 14 dwellings.

It is adjacent to Lanthorne Court, where Millwood Designer Homes Ltd secured planning permission for a scheme of 53 no. 1,2 3, & 4 bedroom dwellings all of private tenure. This scheme is currently under construction.

Affordable Housing & Tree Preservation Order

In order to be Policy compliant a scheme of 14 no. units will require 30% of the units to be of an affordable tenure. It is understood Millwood Designer Homes Ltd dealt with the required affordable housing by way of a financial contribution.

In addition, there is a blanket Tree Preservation Order of the trees along the northern and western boundaries of the site. An extract of the TPO Plan is available to download.
