Location

The site is located within a charming conservation area in the heart of the village of Worth, which lies approximately 1 mile south of the town of Sandwich and around 4 miles north of the town of Deal.

Worth is a small village centred around an attractive duck pond. There are two pub/restaurants in the village as well as the St Peter & St Paul Church, parts of which date from the 12th century. Worth Primary School is in the centre of the village and was rated ‘Good’ in its most recent OFSTED inspection.

The towns of Sandwich and Deal offer a range of local amenities and there are a wider range of national retailers and restaurants at the Westwood Cross Shopping Centre in Broadstairs, which is around 10 miles to the north.

Sandwich railway station offers regular rail services to London St Pancras with a change at Ashford International. The journey time is around 1 hr 30 mins.

Site Description

The site is part of the former vegetable garden to the rear of the 18th Century Solley Farm House and extends to approximately c. 0.07 ha (0.18 acres) in size. The exact dimensions and area will need formal on-site measurement in due course. The site is broadly regular in shape and relatively level.

The proposed access to the plot is via an existing rear gate on Jubilee Road. It is the intention that this access will be shared with Solley Farm House with a new gravel driveway beyond to serve the new dwelling.

Planning and Proposed Accommodation

Full Planning Permission was granted by Dover District Council on the 30th June 2017 under planning reference DOV/17/00483.

The proposed dwelling is an attractive ‘L’ shaped 1.5 storey detached house. The ground floor comprises a large hallway, cloakroom, a separate lounge with fireplace and large open plan kitchen/dining/family room with a separate utility room. Both the lounge and dining area have French doors out on to a large terrace. The floor plans for the first floor show a large landing with 4 no. bedrooms, 2 of which have en-suite bathrooms, as well as a good sized family bathroom. Adjacent to the house is a detached garage and car port with a self-contained home office above accessed by an external staircase.

Externally to the rear is a private garden and to the front is a gravel driveway with parking for several cars. The elevations show the house half tile hung above traditional brick under a clay tile roof and the garage is shown to be clad in black weatherboard under a clay tile roof.
